Houghton Mifflin Harcourt Publishing Company, United States, 2018. Paperback. Condition: New. Jani Orban (illustrator). Language: English. Brand new Book. A high-stakes survival series perfect for fans of the I Survived series and Hatchet. Stay calm. Stay smart. Survive. An ancient myth about a statue leads eleven-year-old Carter and twelve-year-old Anna down a trail deep into the Costa Rican jungle. They get turned around, then chased by howler monkeys. Carter and Anna try to find their way back to the familiar path, but the tangle of vines and trees all look the same. They are . . . lost! With seventeen years of hands-on experience and training in remote areas, survival expert Terry Lynn Johnson (Ice Dogs; Sled Dog School) creates on-the-edge-of-your-seat storytelling featuring real skills to prepare kids for surviving a disaster. This book includes tips from the Canadian Red Cross on how to make your own survival kit. After reading this book, you'll be better prepared for surviving a real-life disaster.
